NCAA Fencing Individual Championships by Year/Event

1941 — Men's @ Ohio State (3/29)

The format was 3 rounds of pools with a final pool of 6. Each school could enter 2 fencers in each weapon. 76 fencers from 19 schools participated. The fencers shown include those who were initially entered by their school but it is unknown if they were the fencers who actually competed. Epee was fenced for one-touch and double losses in epee counted for one-half point. The competition was held on 5 pistes from 9am to 11pm. Medals were given for the top 3 placements. In the fence-off for sabre, Meyer beat Molkup 5-4.

Participation was somewhat weakened by the fact that the schools in the northeast were participating in the Intercollegiate Fencing Association championships (which had been the de facto national championships for fencing) at Princeton University on the same day and the schools in the southeast were competing in the South Atlantic fencing championships in Williamsburg.

Men's Epee

1	Boland, Chester Howard "Howie"	Illinois	4v 1d
2	Houser, Philip Hines	Case Inst. of Tech.	3.5v 1.5d
3	Baker, Howard Dehaven	Washington U. (MO)	
4	Hampe Jr., Edward Cuno	Wisconsin Madison	
5	Hausman, James Stanley	Yale	
6	Smith, Leonard Richard	Northwestern	
SF	Birrell, George Andrew	Yale	
SF	Harbst, Charles Richard "Chuck"	Ohio State	
SF	Siever, Paul William	Chicago	
R1	Corbett, James Joseph	Notre Dame	0v 6d
	Worden, (James) Stanley	Oberlin	2v
	Aspman, Kurt Ivar Lennart	Case Inst. of Tech.	
	Beckman Jr., George Edmund	Washington U. (MO)	
	Brandt, Norman	Rutgers N.B.	
	Carson, John William	Kentucky	
	Cooper, Robert Marion	Wayne State	
	Drake Jr., Robert M. "Bob"	Kentucky	
	Hickok, Norman Lyne	Rutgers N.B.	
	Hutchison, Arthur	Northwestern	
	McLaughlin, Ernest Peart	Ohio State	
	Pritz, Benjamin Lionel	Chicago	
	Thalken, Francis Robert "Bob"	Michigan State	
	Titus, Rayburn Lewis	Illinois	
	Willis, George Edmund "Ted"	Michigan State	

Men's Foil

1	McNamara, (Paul) Edward	Northwestern	5v 0d
2	Malik, Warren C.	Illinois	
3	Rudolf, Morris Frank "Rusty"	Rutgers N.B.	
4	Curtis Jr., George Henry	Washington U. (MO)	
5	Alexander, Lawrence Theodore	Rutgers N.B.	
6	Rogers, Roland	Lawrence Inst. Of Tech.	
SF	Gaither, John Francis "Jack"	Notre Dame	3v 3d

	Streed, John Arthur "Jack" "Whitey"	Illinois	
	Yawitz, Martin "Marty"	Rutgers N.B.	

1942 Men's @ Washington U. (MO) (3/28)

The format was three rounds of pools with a final pool of 4. Schools were allowed to enter 2 fencers in each weapon. The official report says that 56 entries consisted of 42 fencers from 11 schools. Eleven fencers fenced in two weapons and one in all three. Epee was fenced for one-touch with double touches ending the bout and counting for one-half point. In the three-way fence-off for epee, Burtt had a victory and a double-defeat, Deladrier had two double-defeats, and Bower had a double-defeat and a loss. In the fence-off for sabre, Deladrier beat Hunt 5-1.

Men's Epee

1	Burtt, Benjamin Pickering	Ohio State	10v 4d
2	Deladrier, Andre Richard	St. John's	10v 4d
3	Bower, Vincent Edward	Washington U. (MO)	10v 4d
4	Gilbert, Ivan Samuel	Ohio State	
SF	Bernstein, Lionel Maximilian	Illinois

	Yawitz, Martin "Marty"	Rutgers N.B.	

1947 Men's @ Chicago (4/12)

No Championships had been held from 1943-46 because of WW II and reconstruction. The format in 1947 was three rounds of pools with a final pool of 6. Epee was fenced for 3 touches. There were two three-way fence-offs in foil with the first ending in a three-way tie. In the second, Balk had two victories, Kaplan one, and Parsons none. In the fence-off for epee, Balk beat Strauss 3-0. Medals were given for the top 4 placements.

Men's Epee

1	Balk, Abraham Ber	NYU	4v 1d
2	Strauss, Leon Frank	Chicago	4v 1d

R1	Sanders, Thomas	Colorado - Boulder	0v 4d

1948

Men's @ Navy (4/3)

Schools were limited to one entry in each weapon. The format was scheduled to be three rounds of pools but was changed to be two rounds with the first round being two pools of 13 or 14 with four from each qualifying to a final pool of 8. Touches were used to resolve ties in victories in the individual events but are not shown in the results.

The number of victories in only the first round was used to determine the team championship. Perhaps because of this, one foil, one epee, and two sabre fencers withdrew at the completion of the first round and their qualifying spots to the individual finals were given to lower placing fencers. A gold medal was given to the members of the team championship. A gold, silver, gold bronze, and bronze medal were given to the top 4 finishers in the individual championships.

Men's Epee

1	Bryan, William Littell "Bill"	Navy	6v 1d
2	Bowman, Richard Carl "Dick"	Army	4v 3d

1949

Men's @ Army (3/25-26)

The Championships were expanded to a two-day event and, for the first time, the format was a complete round-robin in each weapon. The competition was run on ten pistes over two days in gymnasiums on second and fourth floors. Epee was fenced electrically. The fence-off in epee for first place was won by Bowman 3-1 over Thompson. Notre Dame's sabre fencer was forced to withdraw because of an injury during the course of his eleventh bout. The victories against him by fencers from Army, Brooklyn, Illinois, Cornell, and Haverford were removed from the individual standings but his victories were allowed to remain in the team standings. Touches were used to resolve ties in victories in the individual events but were not recorded in the result listings.

Men's Epee

1950 Men's @ Wayne State (3/24-25)

33 schools competed on twelve pistes in three gymnasiums in a complete round-robin in each weapon. A Gala Evening was held after the fencing completed on the final day at the Masonic Temple Crystal Ballroom where medals were presented, a demonstration of electrical foil was given, and there was a dance with John Stanton's Orchestra performing and "with 65 Wayne University coeds acting as hostesses". There was a one hour television broadcast of "the most important bouts".

1951 Men's @ Illinois (3/30-31)

The format was a complete round robin in all three weapons. Touches were not used to resolve ties in either the individual events (except for the top four places) or team event. The time limit for bouts was five minutes. Epee was fenced for 3 touches and there were no double losses. In all three weapons, if the score was tied at the end of regulation time, a sudden-death overtime with no time limit was used. In the fence-off for epee, Chafetz beat Thomas 3-1. For foil, Nielson beat Biagini 5-4 and Goldsmith 5-4. Biagini beat Goldsmith 5-4. For the first time, medals were given to the members of the second and third place teams.

1952

Men's @ Yale (3/28-29)

The format was a complete round-robin held on 12 pistes. Touches were used to resolve ties in victories in the individual events but were not recorded in the result listings. In sabre, the feners from Harvard and Haverford withdrew before fencing 80% of their bouts and their results were annulled. Leheigh fencers in both epee and foil also withdrew before 80%. In the three-way fence-off for first place in sabre, Zimolzak beat Sobel 5-0 and Parmacek 5-4. Sobel beat Parmacek 5-3.

1953 Men's @ Pennsylvania (3/27-28)

The format was a complete round-robin held on 12 pistes. Touches were used to resolve ties in victories in the individual events but were not recorded in the result listings. There were no withdrawals. For the individuals, plaques were given for first, silver medals for second, light bronze for third, and medium bronze for fourth. For the teams, gold silver, and light bronze medals were given to members of the top three teams.

1955

Men's @ Michigan State (3/25-26)

The format of the competition was a complete round-robin held on 12 pistes. In the fence-off for sabre, Pariser beat Farber 5-2. Coons of Indiana withdrew from the sabre with an ankle injury.

The NCAA coaches adopted a "no-foul" rule for foil and sabre that had been successfully used by the Big Ten fencing schools for the previous four years. Foil was fenced like sabre with side judges who determined whether touches had landed and whether they were on-target or off-target (i.e., foul). The “no-foul” rule meant that the referee and side-judges ignored off-target touches in both foil and sabre bouts. They neither caused the fencing action to be halted nor did they prevent a valid touch in a subsequent action from being scored. The rule was thought to be successful but was not used in the following years.

1956

Men's @ Navy (3/23-24)

The format was a complete round-robin. In the fence-off for sabre, Kauffman beat Schankin 5-0. Schankin was a 28-year old sophomore. He had been a lithographer but decided to get a college education. In the fence-off for epee, Hoitsma beat Kirkpatrick 3-2. The team standings were determined by the number of fencers competing and then by number of victories. So teams with two fencers competing were placed below all team with three fencers even if their total victories were greater.

1957 Men's @ Detroit (3/22-23)

A number of fencers were given byes to allow the number of remaining fencers to be divisible by 7. They were then seeded into pools of 7 with 3 qualifying. The byes and the qualifiers then fenced a complete round-robin. For the team standings, touches were used to resolve ties for only the top 8.

1965

Men's @ Detroit (3/19-20)

A round of pools was held to reduce the fields to 30-31 fencers in each weapon and then a complete round-robin was used. For the top finishers, only their record in the round-robin is shown. For those eliminated in the qualifying pools, the number of victories that they had in the pools is shown. Because of equipment breakdowns, the fencing on the first day took 14 hours and the last day which was supposed to take 5 hours, took 15.

1966

Men's @ Duke (3/25-26)

The Ivy League schools boycotted the NCAA championships in all sports in 1966 because of a dispute about academic standards. This reduced the number of entries and so a format of three rounds of pools was used. The final pool had 12 fencers in epee and sabre and 10 in foil. Win/Loss records are shown for only the last round that the fencers competed in.

The team championship was determined on the last day only among the 27 schools that had brought a fencer in each of the 3 weapons. First the schools were seeded into four groups of six or seven schools. The schools fenced the other schools in their group and the four highest finishing schools in each group advanced to a double-elimination direct elimination. So the team standings were not based at all on the individual results.

1969

Men's @ N.C. State (3/27-29)

The format was three rounds of pools with the preliminary round being pools of 9 or 10 with 24 qualifying in each weapon and semi-finals and finals both being pools of 12. The placement of the fencers who made the finals was based solely on their records in the finals and for those who did not make the finals it was based on their records in the round in which they were eliminated but those records are not known.

For the team standings, schools received one point for fencers eliminated in the first round and six points for fencers eliminated in the second round regardless of the number of victories that the fencers had in those rounds. For each fencer who made the final round, schools received ten points plus one point for each victory that the fencer had in that final round.

1971 Men's @ Air Force (3/18-20)

A round of pools was held to reduce the fields to 24 fencers in each weapon and then a complete round-robin of 24 was used. For the top 24 finishers, only their record in the round-robin is shown. Ties in victories were resolved by the TS/TR ratio. For epee and foil there is some doubt about whether some of the entries showed up. Their placement is shown as blank.

1972 Men's @ Illinois Chicago Circle (3/23-25)

A round of pools was held to reduce the fields to 24 fencers in each weapon and then a complete round-robin of 24 was used. For the top 24 finishers, only their record in the round-robin is shown. For those who were eliminated in the repechage round, their record in that repechage is shown and they were given a final placement 25-28. For those eliminated in the preliminary pools, their record in their pool is shown. Ties in victories in the top 24 and in the repechage were resolved by the fencers' TG/TR ratio.

1974 Men's @ Case Western Reserve (3/28-30)

A preliminary round of 4 pools of 10-12 fencers was held with 5 fencers qualifying directly to the final round from each pool. Two more from each pool were put in a repechage round from which 4 qualified to the final round. The final round was a complete round-robin of 24. The win/loss records in none of the weapons is known. The placements below 24th place are not known for epee. In the fence-off for sabre, Danosi beat Westbrook 5-4. This was the first time that the team that won the team championship had won the previous year with the same three fencers (Hurme, Bondcorda, Westbrook).

1975

Men's @ Cal. St. - Fullerton (4/3-5)

The format was four rounds of pools with final pools of 6. Illinois and Wisconsin entered teams but their fencers could not get to the championships because of snowstorms. The official results for epee show Masters placing second with only 2 victories. Many of the lower placements in all of the weapons are also confusing given the records shown and so it is not clear what was used to determine placements.

1977 Men's @ Notre Dame (3/24-26)

The format was four pools of 10-12 with 6 qualifying to a complete round-robin of 24. The pools results of MF are not known.

New York University and Notre Dame finished in a tie for first place with 114 victories each. Under the rules then in place, the two schools should have been declared co-champions. Hugo Castello, the NYU coach, and Mike DeCicco, the Notre Dame coach, went together to the bout committee and said that they did not want a co-championship. Instead they proposed that their sabre, foil, and epee fencers fence each other in that order and whichever school won two of the three bouts would be the champion and the other school would be second. Since the coaches were in agreement, the bout committee waived the rules and allowed the fence-off. Notre Dame won the first two bouts (making the third bout unnecessary) and was declared the sole team champion.

1978 Men's @ Wisconsin - Parkside (3/16-18)

120 fencers representing 55 schools competed, 40 in each weapon. A preliminary round of pools of 10 was held to reduce the fields to 24 fencers in each weapon and then a complete round-robin of 24 was used. For the top 24 finishers, only their record in the round-robin is shown. For those below 24th place, the number of victories that they had in the qualifying pools is shown. In the fence-off for epee, Vaggo beat both Hanson and Schifrin and Hanson beat Schifrin. In the fence-off for foil, Simon beat Gerard.

1979 — Men's @ Princeton (3/22-24)

120 fencers representing 56 schools competed. A preliminary round of pools of 10 reduced the 40-man field in each weapon to 24 on the first day. A round robin of 24 was then held on on the last two days. For fencers eliminated on the first day, their record in the preliminary round is shown. For fencers who qualified for the final round-robin, only their record in that round robin is shown. In a fence-off for sabre, Rabinovich beat Sullivan 5-2.

1982 Women's @ San Jose State (3/25-27)

A women's foil Championships with both an individual and team championship was held for the first time but at a different venue and on a different weekend than the men's Championships. The format of the women's event was three rounds of pools with the first round of 4 pools of 6. Ellingson beat Botengan 8-4 in the gold medal bout. A separate women's team event was held and was solely the basis for the team championship. The women who fenced in the individual event did not necessarily fence in the team event and vice versa.

Women's Foil

1	Ellingson, Joy	San Jose State
2	Botengan (-Reux), Ruth D.	Cal. St. Northridge
3	Farkashazy (-Weaver), Gina	Wayne State
4	Lange, Jeanette	Wayne State

1984

Combined @ Princeton (3/18-24)

The men's and women's Championships were held at the same venue for the first time with the men's Championships being held first. Each school could qualify two fencers to the Championships in each weapon. Entries to the Championships was limited to 30 in the men's weapons and 24 in the women's weapons via regional qualifying competitions.

1990

Combined @ Notre Dame (3/24-27)

The single men's 3-weapon team championship was changed into three team championships, one for each weapon, and these team championships were held separately from the individual events. One combined team championships was awarded for the best combined men's and women's results. Entries to the individual events was limited to 30 via regional qualifying competitions.

1995 Combined @ Notre Dame (3/25-28)

Women's epee was added to the Championships. Entries to the Championships was limited to 30 in the men's weapons and 32 in the women's weapons via regional qualifying competitions. The four weapon-specific team championships were dropped leaving only the combined (now 5-weapon) team championship which included the women's epee results.

2020 Combined @ Detroit (CANCELED)

The Championships were canceled because of the COVID-19 pandemic. The regional qualifying competitions had been held before the cancelation was announced and so the 24 fencers in each weapon who would have competed had been determined. This report shows those names. The college coaches decided to award all of the fencers First Team, Second Team, or Honorable Mention All-American status based on their competitive records during the season.

2021

Combined @ Penn State (3/25-28)

The Championships were attended by only 19 schools because of the COVID-19 pandemic. The regional qualifying competitions were not held and so the 24 fencers in each weapon were selected by committee based on the few dual meets that were held.

In the men's medal rounds, in ME Ewart beat Piskovatskov 15-12, Griffiths beat Hondor 15-13, and then Griffiths beat Ewart 15-10. In MF, Olivares beat Colon 15-9, Machovec beat Hossfeld 15-10 and Olivares beat Machovec 15-3. In MS, Linder beat Walker 15-6, Smith beat Perrier 15-6, and Linder beat Smith 15-7.

In the women's medal rounds, in WE Hsieh beat Gavrilko 15-9, Fekete beat Grady 15-13, and then Fekete beat Hsieh 14-13 in overtime. In WF, Bicego beat Catantan 15-14, Deschner beat Berthier 15-9 and Deschner beat Bicego 15-9. In WS, Miller beat Kaleta 15-9, Linder beat Wozniak 15-14, and Linder beat Miller 15-4.

Placements

When a fencer's placement is blank, their placement is unknown.
SF - was eliminated in a semi-final pool when the format was rounds of pools.
Rn - was eliminated in Round "n" when the format was rounds of pools.
w/d - withdrew (e.g., injury)
Tm - fenced in a team event that year but not in the individual championship.

The Placements shown were obtained from various sources such as the NCAA competition results, public and school newspaper articles about the championships, championship programs, etc. In many cases these sources had conflicting placements for the fencers and/or their competitive records. The one that seemed most likely was accepted. As a result, placments lower than the top three or so and competitive records should be treated with some suspicion.

No NCAA fencing championships were held from 1943 to 1946 because of WW II and reconstruction nor in 2020 because of the coronavirus pandemic. For 2020, see the note at the top of those championships.
